

PROGRAM INFORMATION

FIITJEE MEDICAL

EMERGING PRODIGY

**ONE YEAR FOUNDATIONAL
PROGRAM FOR STUDENTS OF
CLASS VII & VIII**

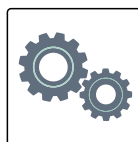

PROGRAM FOCUS

- To comprehensively prepare you for school
- To prepare for all scholastic & competitive exams at the city, state & national level for your class,
- To lay a strong foundation for higher level scholastic & competitive exams like NTSE, NSEJS / IJSO, Pre-RMO, RMO & Green Olympiad by raising IQ of the students i.e. sharpen analytical skills & mental ability and evolve students' thinking process making them capable of solving complex problems.
- These programs also lay a very strong early foundation for competitive exams like NEET, JEE Main & JEE Advanced, etc.

CLASS SCHEDULE & FREQUENCY

- Classes will be held online on Platforms like **Zoom, Microsoft Team, MEET** etc
- Classes will be held **6 hours/week** on **weekdays** (Evening)
- Total **200 hours** spread over approximately **40 weeks**. (Including classroom interaction, Tests & Test analysis)

COURSE STRUCTURE

- The entire course will be covered in **4 phases**.
- **Subjects covered will be Science (Physics, Chemistry & Biology) and Mathematics.**
- Comprehensive digital study material. Additional problems will be supplemented wherever necessary students should not require any additional books etc.
- **Phase Tests & Mid-Phase Tests.**
- Regular feedback & Test Analysis Sessions.
- A dedicated academic operations team provides feedback at any point of time apart from scheduled parent-teacher meetings.
- **Relevant Competitive Examination:** National Talent Search Exam (NTSE), also this program will lay a strong foundation for International Level Olympiads in Mathematics and Junior Sciences (National and Regional Level stages as National Standard Examination in Junior Science (NSEJS) and Regional Mathematics Olympiad (RMO)).
- **Chapter-wise Tests** -These tests will help to comprehensively evaluate your understanding of a particular chapter.

START EARLY TO BEAT THE COMPETITION

BENEFITS OF EARLY JOINING

- Gives you more time to adapt to the quantum jump in level of difficulty with better ease as there is more time for understanding and consolidation over a longer spread academic plan.
- Optimum utilization of time available.
- Early starters will always have more time before the actual School & Competitive / Scholastic Entrance Exams as their course curriculum will finish much before the batches starting later.
- More time to consolidate on one's performance and for self-revision, polishing of examination
- temperament & removal of last moment doubts. This is vital to help a student achieve a quantum jump in Competitive / Scholastic Examination performance.
- As serious aspirants never would like to wait, the competence of the batch starting early would be very high as the brightest / serious of the lot will join at this stage thus giving you that better competition you always wanted.
