

PROGRAM INFORMATION

FIITJEE MEDICAL

LITTLE PRODIGY

**ONE YEAR FOUNDATION
PROGRAM FOR STUDENTS OF
CLASS VI**

PROGRAM FOCUS

- To comprehensively prepare you for school
- To prepare for all scholastic & competitive exams at the city, state & national level for your class,
- To lay a strong foundation for higher level scholastic & competitive exams like NTSE, NSEJS / IJSO, Pre-RMO, RMO & Green Olympiad by raising IQ of the students i.e. sharpen analytical skills & mental ability and evolve students' thinking process making them capable of solving complex problems.
- These programs also lay a very strong early foundation for competitive exams like NEET, JEE Main & JEE Advanced, etc.

CLASS SCHEDULE & FREQUENCY

- Classes will be held online on Platforms like **Zoom, Microsoft Team, MEET** etc
- Classes will be held **6 hours/week** on **weekdays** (Evening)
- Total **200 hours** spread over approximately **40 weeks**. (Including classroom interaction, Tests & Test analysis)

COURSE STRUCTURE

- The entire course will be covered in **4 phases**.
- **Subjects covered will be Science (Physics, Chemistry & Biology) and Mathematics.**
- Comprehensive digital study material. Additional problems will be supplemented wherever necessary students should not require any additional books etc.
- **Phase Tests & Mid-Phase Tests.**
- Regular feedback & Test Analysis Sessions.
- A dedicated academic operations team provides feedback at any point of time apart from scheduled parent-teacher meetings.
- **Relevant Competitive Examination:** National Talent Search Exam (NTSE), also this program will lay a strong foundation for International Level Olympiads in Mathematics and Junior Sciences (National and Regional Level stages as National Standard Examination in Junior Science (NSEJS) and Regional Mathematics Olympiad (RMO)).

START EARLY TO BEAT THE COMPETITION

BENEFITS OF EARLY JOINING

- Gives you more time to adapt to the quantum jump in level of difficulty with better ease as there is more time for understanding and consolidation over a longer spread academic plan.
- Optimum utilization of time available.
- Early starters will always have more time before the actual School & Competitive / Scholastic Entrance Exams as their course curriculum will finish much before the batches starting later.
- More time to consolidate on one's performance and for self-revision, polishing of examination temperament & removal of last moment doubts. This is vital to help a student achieve a quantum jump in Competitive / Scholastic Examination performance.
- As serious aspirants never would like to wait, the competence of the batch starting early would be very high as the brightest / serious of the lot will join at this stage thus giving you that better competition you always wanted.
